SWATCHH BHARATH CELEBRATION

The Prime Minister of India, Shri Narendra Modi on the occasion of the Indian Independence Day made a clarion call for Swachh Bharat, a mass movement to create awareness of cleanliness and hygiene. He said that a clean India is the best tribute that we could pay Mahatma Gandhi. To strengthen the 'Swachh Bharat' initiative announced by Prime Minister, the Young Indians has launched 'Mission –Sanitizing and Sensitizing India', an initiative to work with institutions and companies on area of social responsibility, with an objective to create awareness and encourage students and industry participate through its network of 37 chapters in 25 states.

The father of the Nation, Mahatma Gandhi had said that, "Sanitation is more important than Independence" during his time before the independence of India. He was well aware of the bad and unclean situation of the India. He had emphasised the people on cleanliness and sanitation as well as its implementation in the daily lives. However, it was not so effective and failed because of the incomplete participation of people. After many years of independence of India, a most effective campaign of cleanliness was launched to call people for their active participation and complete the mission of cleanliness.

The celebration started with giving Swatchh Bharath pledge on 12.08.2016. It was followed by a talk by Mr. Jackson KT, the program officer. The pledge and the talk inspired students about the nation cleanliness. The next day (14.08.2016) the volunteers make a move to clean the Road & Panchayat Health Center.

INDEPENDENCE DAY CELEBRATION

Independence was celebrated with great enthusiasm and respect at Thejus Engineering College. The ceremony started at 8 AM in the College ground with staffs and Volunteers.

The Program officer welcomed the gathering and introduced the Chief Guest.

To Commemorate the sovereignty of our nation, the Chief Guest unfurled the tricolor flag and all in unison sang the National Anthem and expressed the joy of our freedom.

The students of Choir group sang the Patriotic song that awakened everyone's feelings towards our Mother Land. The Chief Guest of the function, said "she is happy to notice that today's students think about the freedom and it is necessary to inculcate within us. The true freedom means when we make our country corruption free."

The Programme concluded up with the Vote of thanks by the Volunteer secretary. At the end sweets were distributed to the students. As a token of love and concern our students cleaned the surroundings of the Panchayat office.

Indeed, it was a day of joy, a day to love and respect our country and make it a better place for Indians to live and experience the freedom, peace and unity in diversity.

ENGINEERS' DAY CELEBRATION

“Engineering does not merely know and being knowledgeable; engineering is not merely analysis; engineering is not merely the possession of the capacity to get elegant solutions to non-existent engineering problems; engineering is practicing the art of the organized forcing of technological change.”

Engineers operate at the interface between science and society. To identify the great works done by our hard working engineers each year 15th September is celebrated as Engineers' Day marking the birth day of Sir Mokshagundam Visvesvarayya, recognizing his contributions in the field of hydel energy in India.

This year also Thejus Engineering College which has always proved itself in providing efficient technocrats to the country, acknowledged the work of this great engineer by celebrating this day jubilantly. The professors of the College gathered in the e-lecture studio and discussed the importance and works of the engineers in today's era. It was then followed by the interactive sessions of students.

The event was organized successfully and left its imprints like flowing water embarks its impression on a pebbled shore. It gave an opportunity to everyone to remember and cherish the works of Sir Visvesvarayya.
